

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

18 October 1985

NOTE FOR: DCI

SUBJECT: CTJTF Demonstration, Ft. Bragg

You have recently received an invitation to the 24 October capabilities exercise by the Counter-terrorist Joint Task Force (CTJTF) at Ft. Bragg, North Carolina. JSOC informs me this demonstration is to be substantially the same as that we attended last April, differing only in some added detail.

I will not be attending the exercise, as I have seen it before and, moreover, will be absent on TDY.

My office is again acting as the focal point for attendance at the demonstration by you and selected CIA personnel. Should you decide to attend the exercise, please inform [redacted] in my office; [redacted] will be working with JSOC regarding the visit.
